Toward Oyasama's 140th Anniversary,
let's grow spiritually together.

Out of Her parental love
that desires to hasten world salvation,
Oyasama withdrew from physical life
on the lunar-calendar date of January 26, 1887,
so as to urge Her children, human beings,
to make further spiritual growth.
Although we can no longer see Her physically,
She remains everliving at the Residence of Origin
and continues to guide us and work for world salvation,
now as ever before.

The 140th Anniversary of Oyasama will be observed
on January 26, 2026 (Tenrikyo 189).

Oyasama's anniversaries are significant junctures
between each decade for the entire Tenrikyo community
to respond to Her parental love.

Having set aside the "three years, one thousand days" period
leading up to the important day, let all of us Yoboku
implement the teachings of the Joyous Life
and grow spiritually together
with our sights set on the Divine Model of Oyasama.
