

The 140th Anniversary of Oyasama will be observed on January 26, 2026 (Tenrikyo 189).

The period of “three years, one thousand days” leading up to an anniversary of Oyasama is a time for us to make decisive progress in spiritual growth by implementing the teachings with our sights set on the Divine Model in order to respond to Oyasama’s parental love.

In this regard, the “Action Day for All Yoboku” will be held to provide an opportunity for Yoboku living in the same district to gather regularly at a local Tenrikyo church or fellowship to encourage one another to redouble their efforts to implement the teachings.

Please join us for the “Action Day for All Yoboku.”
