

Dear Oyadama,

I am very good at waking up early.
I need to work on honesty. I think
I need to work on this b/c in
life you will have to tell the
truth. For instance, when the burglar
came, you forgave him, he didn't get
in trouble so when I tell the truth
I won't get in trouble. That is
why I need to work on truth
and honesty.
