

Three Treasures 11/29/13

Dear Oyasama,

I am good at working and
I need help on waking up early.
And maybe I need work on being
honest.

I think I will do better
if I put an alarm clock next
to my head so I wake up. Plus,
I don't have to let anyone wake
me up! I wish I could be the
first every day to help others.
Even though it's very hard
for me.

Sincerely,

Ryan
